

Integration of Physics, Biology, and Epidemiology in Radiation Risk Assessment

MARCH 27-28, 2023

Featured Speakers

Dr. Martha S. Linet

National Institutes of
Health
46th Taylor Lecturer

Dr. Michael M. Weil

Colorado State University
19th Sinclair Keynote
Address

**Dr. Susanne M.
Rafelski**

Allen Institute for Cell
Science
6th Tenforde Topical
Lecture

An aspirational meeting
that looks to connect
scientists from across
multiple disciplines to
advance the science of
radiation protection
using new and innovative
tools.
